3+1+1

2022

1. **Personal Statement**

   Please introduce yourself in your personal statement, including why you are interested in this program, what would you like to learn from attending this program, which research area you are interested in, etc. If you have some special reason for low grade in certain math classes, this is a good place to explain.

2. **English Proficiency Exam**

   Test Options:
   IELTS: Minimum of 6.5
   TOEFL: Minimum of 80 (iBT) / 550 (PBT)
   Duolingo English Test: Minimum 105
   *
   *

3. **Resume**

   In addition to the regular resume content(name, education, experience), please list all the math courses you have taken and what math courses you plan to take in the Spring21. Please also list any math books you have read or math projects you have done.

4. **Transcript**

   Either official or unofficial transcript is acceptable. Please submit an English version and a Chinese version.
